Wanna go to the school cafeteria?
happy chatter
Hey, where are we eating lunch?
I'm someone who blushes profusely, and I can't make friends, even though several weeks have passed since I transferred to this school.

Awawawawa

And this mood too...
Such... Such a normie aura...
Really? Yes, let's!
I bought the new Pocky, let's eat them together after~

blush
Let's go!

...Right—if I smoothly invite someone to eat lunch (bento) with me,
I'll make a f-f-f-friend!
Normie-ish
Sh-Shoot, I'll always be a loner if I don't...

Eh? Ayafuji-san?
Ah... I can't, I was talking with my classmates... having lunch with them...

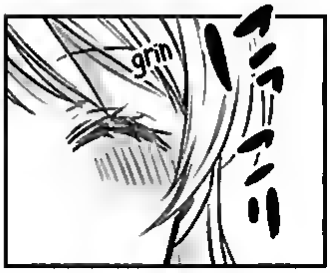
You haven't forgotten about the limitation, have you?
...!
That's right,
Awawawawa

※吸血です
*This is a blood-sucking scene.
she's a vampire, and I'm her prey.
That "limitation" is her having to suck my blood every day.
*Blood-sucking has an aphrodisiac effect. Please follow the prescribed dosage when drinking blood.



grin

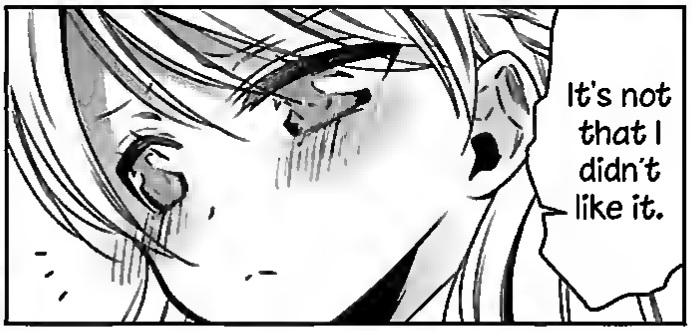
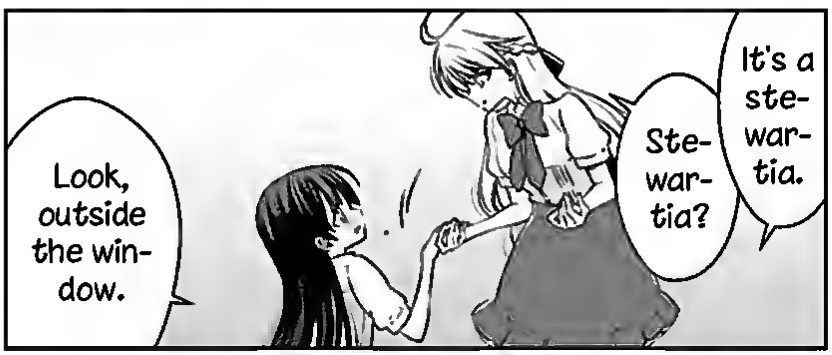
I didn't want her to make friends, so...
Geeeeeez, she's always forcing me, and she's so proud...!!

What, what!? If you didn't want to, you could've just said so!
staaaaare
...Senpai, you idiot!!

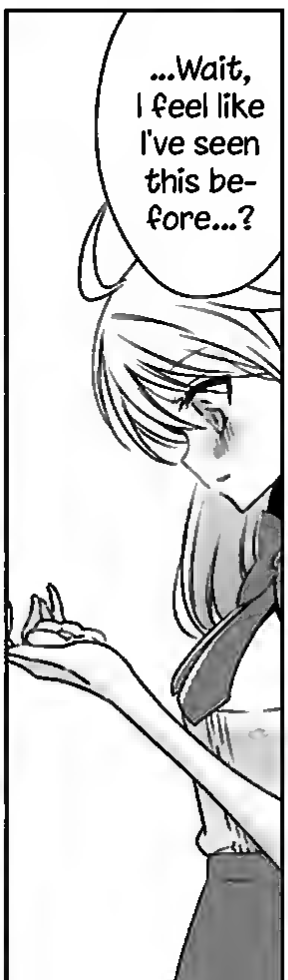
...Oh? Your hairpin fell off.



It's not that I didn't like it.



Look, outside the window.
Ste-war-tia?
It's a ste-war-tia.



...Wait, I feel like I've seen this before...?

So many white flowers...!
...No way, I look through this window every day, but I'd never noticed at all.

My parents and my grandmother grew those flowers in our garden when I was little.
They're also known as Sara's flowers.
They aren't big flowers, but they'll probably leave you with a nice impression.

...Yes,
that's beautiful.

Sara...

However, I didn't know at that time that I was going to "die."
